Dear Sheriff Lindemann & Capt. Laake,
I am writing to urgently notify you of serious PREA violations and active retaliation against my wife, [REDACTED], currently incarcerated at Colorado County Jail.

ORIGINAL PREA VIOLATIONS:

Incident 1 - January 15th, 2026: Male staff member entered female housing unit without announcement and directly viewed my wife's breasts while she was undressing.

Incident 2 - January 16th, 2026: Male staff member entered female housing unit without announcement and directly viewed my wife's genitalia while she was using the toilet.

Both incidents violate PREA Standard 115.15(d), 28 C.F.R. Part 115.

ACTIVE RETALIATION - OCCURRING NOW:

Sergeant Donnoly entered the 'overflow' female housing and began screaming at my wife in an aggressive and intimidating manner. The Sergeant called her "stupid" and stated "you don't know what you're talking about regarding PREA."

URGENT REQUEST: I respectfully request immediate action to ensure my wife's safety until release on January 21st, 2026.

Retaliation for filing grievances is a clearly established First Amendment violation. Combined with the PREA violations and systematic misinformation provided to inmates, this creates serious federal civil rights liability under 42 U.S.C. § 1983.

Please contact me immediately at [REDACTED] to confirm receipt of this email and to discuss protective measures.

Respectfully,

Harold "Wayne" [REDACTED]

CC: Will be filing with TCJS.
