Bruh.... Here's a bit of good faith advice.

Before you list someone as a Jail LT - make sure they are listed in TCOLE.

I see previous employment payroll information for the county (sick/vacation info). He's been on jail payroll since AT LEAST 2024 and nothing listed in TCOLE. Maybe they have his ID/Name wrong or something??? A Jail LT being listed on your official website with no record to be found looks really really bad.
