Dear Sheriff Lindemann, Captain Laake:

This is an urgent follow-up to my email sent earlier today regarding PREA violations and retaliation against my wife, [REDACTED].

I am now writing to report that I personally witnessed additional retaliation against my wife that occurred approximately 3:00 PM today, Saturday, January 17, 2026, during scheduled visitation.

Sergeant Donley was harassing my wife and threatening to revoke her visitation privileges. My wife appeared intimidated, distressed, and crying.

Continued retaliation after notice creates serious liability under 42 U.S.C. § 1983.

Respectfully,

Harold "Wayne" [REDACTED]
